

Dear

WELCOME TO ANAHEIM!

On behalf of the Anaheim Small Business Organization (ASBO), we extend a warm welcome and wish you great success in your new business venture.

Our mission is to promote businesses and assist you to achieve success here in Anaheim.

We are a non-profit 501(c)(6) organization started by local small business owners and prominent men and women who wanted to see Anaheim businesses grow and become successful.

ASBO's Welcome Committee is pleased to organize and publicize a ribbon-cutting ceremony for you if your business is new or has expanded its current Anaheim location. We will also promote on our website, any of your events. Information is enclosed. If you wish to take advantage of this opportunity, please let us know.

Benefits of ASBO membership are direct contact with members and their businesses, attendance at networking events or meetings (some free of charge to members) and access to commonly used legal forms prepared by ASBO's legal team and other business professionals, for use in operating a business like yours. These forms contain everything from partnership agreements to required documents for fulfillment of governmental requirements and much more.

Many members have decades of experience in Anaheim and Orange County and willingly share their wisdom and experience. If you have a question involving your business, whether from a legal perspective, or for example, how to navigate your way through Anaheim City Hall, our members are here to help. As a member, you will receive a monthly newsletter containing information on what's happening in the Anaheim business community, as well as articles designed to help motivate you toward continued success. We also announce your business in our newsletter, through our social media sites and in a press release. These are just a few of the benefits of becoming a member.

We have enclosed our flyer showing the benefits of becoming an ASBO member. You may also visit our website at <http://www.anaheimsbo.com> or follow us on Facebook @AnaheimSBO.

Congratulations on your new Anaheim business. On behalf of the Anaheim Small Business Organization, we are here to help. Let us know if you want to participate in a ribbon-cutting ceremony, become an ASBO member and be part of our network and events.

Sincerely,

Douglas J. Pettibone
